When Gie arrived at his residence in the morning, he found a letter from his mother. The letter was from his mother, who was in the hospital. She was asking him to come and see her. Gie was surprised and happy to hear from her. He decided to go to the hospital and see her. When he arrived, he found her in a room. She was looking at him and smiling. She said, "Gie, I'm so glad to see you. I've been thinking about you so much. How are you? Are you well?" Gie replied, "Yes, I'm well, Mom. I'm happy to hear from you. How are you feeling now? Are you getting better?" She said, "Yes, I'm feeling better. The doctors say I'm improving. I'm glad to hear that. I'm so proud of you, Gie. You're a very smart and hardworking boy. I'm sure you'll achieve great things in the future. I love you, Gie. Take care of yourself and don't forget to write to me often. I'll be waiting for your next letter. Love, Mom."
